

SIERRA LIMITED LIFETIME, THREE, ONE, YEAR LIMITED WARRANTY

Sierra Products, Inc. (SPI), warrants to the original consumer this stove will be free of defective materials and workmanship for the following periods: *Outer structure - Limited Lifetime, Interior metal construction - Three Years, All other items - One Year* from the date of purchase. This warranty does not extend to any parts worn or damaged through normal wear, abuse, accident, or neglect or warpage due to over-firing; nor does it apply if the stove has been repaired or modified unless by SPI written authorization. If the stove proves to be defective in material or workmanship within the warranty period, SPI will, at no charge, repair or replace (at its option) any defective parts, if the purchaser ships the parts or the stove, freight prepaid, to SPI or the nearest authorized service center. SPI may require the consumer to supply reasonable proof of the stove's purchase date.

This warranty is in lieu of any other express warranty. Any implied warranties, including but not limited to any implied warranty of merchantability or fitness for a particular purpose shall not extend beyond one year from the date of purchase.

The purchaser's sole and exclusive remedy shall be for the repair or replacement of defective parts, as provided for in this warranty. No other remedy (including but not limited to incidental or consequential damages for lost profits, lost sales, injury to person or property, or other incidental or consequential loss) shall be available to the purchaser.

Some states do not allow limitations on how long an implied warranty lasts and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

SPI's warranty obligation and the purchaser's rights under it can be altered only by a subsequent written agreement between SPI and the purchaser.

The remedies provided in this warranty are void unless the attached warranty registration card is received by SPI within 30 days from the date of purchase.

If you have a warranty claim or questions about the performance of your stove, you are requested to contact your dealer.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
